

## **Tobacco Usage and E-cigarettes/Vape**

If a customer mentions they use a vape or e-cigarette, you will designate them as a "tobacco usage" as follows:

Note: You do not have to ask if they vape or use e-cigarettes but if the customer voluntarily provides the information, then you must mark them acoustically.

- **Illinois and Montana:** Members are NOT charged a surcharge for using electronic cigarettes/vape (mark as Non-tobacco)
- **Oklahoma:** Members ARE charged a surcharge for using electronic cigarettes (mark as a Tobacco user)
- **Texas:** Members ARE charged a surcharge for using electronic cigarettes (mark as a Tobacco user)
- **New Mexico:** Members are NOT charged a surcharge for using electronic cigarettes (mark as Non-tobacco usage)
